

Joint Meeting on 2019 World Pediatrics Conference & 2019 World Cosmetic and Dermatology Conference

2019WPC
2019WCDC

SCIENTIFIC PROGRAM

2019 World Pediatrics Conference & 2019 World Cosmetic and Dermatology Conference

Day 1: September 10th, 2019

Hall: Announce Soon

08:30-08:50

Registration

08:50-09:00

Opening Ceremony

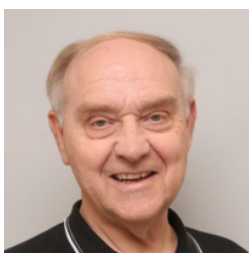

09:00-10:30

KEYNOTE FORUM

Title: Eczema mimickers in children
Chong Jin Ho, Raffles Hospital, Singapore

Title: Current management for myelomeningocele in Japan and beyond
Miho Watanabe, The University of Tokyo Hospital, Japan

Title: A new high hydrostatic pressure destroyed all pathogens including spores while preserving the bioactive proteins of donated human milk
Claude Billeaud, CIC Pédiatrique 1401 CHU Pellegrin. Bordeaux, France

10:30-10:35

Group Photo

10:35-10:50

Networking and Refreshments Break

Speaker Sessions: General Pediatrics | Pediatrics Research | Critical Care and Emergency Medicine | Pediatric Intensive Care | Paediatric Surgery | Pediatric Diseases and Disorders | Pediatric Genetics | Neonatology and Neonatal Care | Child Allergy and Nutrition | Endocrine

Session Chair:
Caude Billeaud,
 CIC Pédiatrique 1401
 CHU Pellegrin. Bordeaux,
 France

Session Co-Chair (Moderator):
M. Indra Shekhar Rao, Director
 Div. of Pediatrics & Neonatology,
 Navodaya Hospital, India

10:50-11:20

Title: Puberty and its variants
Cindy Ho, National University Health System, Singapore

11:20-11:40

Title: Ethical issues in neonatal care
M. Indra Shekhar Rao, Navodaya Hospital, India

11:40-12:00

Title: Global perspective of newborn hypothyroid screening
Surendra Varma, Texas Tech University Health Sciences Center School of Medicine, USA

12:00-12:20

Title: Surgical anatomy of hypospadias and technical applications
Shiv Narain Kureel, King George's Medical University, India

12:20-12:40

Title: Japanese Encephalitis: The disease and its prevention - The Goa (India) experience
Audhut Manohar Kossombe, Dr. Kossambe Child Clinic, India

12:40-13:00

Title: Convergent program on early childhood development
Nandita Chattopadhyay, IQ City Medical College, India & UDBHAAS Child Development Centre, India

13:00-13:20

Title: Challenges in operationalising NICU in rural areas
Revanasiddappa Bhosgi, Gulbarga Institute of Medical Sciences, India

13:20-14:00

LUNCH BREAK

14:00-14:20

Title: Recent advances in adolescent gynecology
Kamlesh Varma, Texas Tech University Health Sciences Center School of Medicine, USA

14:20-14:40

Title: Anorectal malformations (male and female)
Sunil Kanoujia, King George's Medical University, India

Speaker Sessions: Dermatology | Cosmetology | Critical Care and Emergency Medicine | Pediatric Dermatology | Allergy | Child Allergy and Nutrition

Session Chair (Moderator):
Surendra Varma, Texas Tech University Health Science Center School of Medicine, USA

14:40-15:00

Title: The efficacy and complications of a new technique of Abobotulinum-toxin A (Dysport) injection in patients with glabellar lines
Esmat Karbassi, Kerman University of Medical Sciences, Kerman, Iran

Speaker Sessions: Pediatric and Neonatal Neurology | Adolescent Health | Pediatric Respiratory | Child Health

Session Chair (Moderator):

*Surendra Varma, Texas Tech University Health Science Center
School of Medicine, USA*

15:00-15:20

Title: Parents perception of childhood asthma and its management
Faisal Abu-Ekteish, Jordan University of Science & Technology, Jordan

15:20-15:40

Title: Alcohol & child health in rural Kenya: Patterns of use, abuse and associations with child health
Fareena Ahamed, University of Nairobi, Kenya

15:40-16:00

Title: Clinically relevant taxonomic and functional shifts in the gut microbiota of children with severe epilepsy on ketogenic diet
Varnit Shanker, DACH Jaipur, India

16:00-16:20

Title: Life skill education for adolescents in the changing scenario
Chandan Kachroo, Consultant OBGYN I Adolescent Health Specialist, India

16:20-16:30

Networking and Refreshments Break

Oral and Video Sessions

16:30-16:45

Title: Anti-ageing activity of Asparagus officinalis extracts
Wantida Chaiyana, Chiang Mai University, Thailand

16:45-17:00

Title: Effective teaching strategies for the novice injector
Nora Hager, Gold Coast, Australia

17:00-17:15

Title: Single treatment CO2 laser scanner for gigantic debilitating genital peri anal and anal multiple condylomata accuminata
Acky Friedman, Dermatology & Aesthetics Clinic, Israel

17:15-17:30

Title: Dermoscopy of steroid induced facial dermatitis and its clinical significance
Smriti Shrestha, Dhulikhel Hospital Kathmandu University, Nepal

17:30-17:45

Title: The human skin bacteria Staphylococcus epidermidis fermentation end product ameliorates UVB-induced ROS generation through production of free electron transfer
Arun Balasubramaniam, National Central University, Taiwan

17:40-18:00

Speaker Slots are Available

Panel Discussions

END OF DAY 1

09:00-10:00

KEYNOTE FORUM

Title: Airway management in emergency pediatric patients
Leandro Braz de Carvalho, Sociedade Mineira de Terapia Intensiva, Brazil

Title: Comparison of Eysenck, Impulsivity and PDQ4 profiles of teenager's vs adult authors and victims of crimes
Joël Gailledreau, PsyLib, France

Speaker Sessions: General Pediatrics | Critical Care and Emergency Medicine | Pediatric Intensive Care | Pediatric Immunology | Biochemistry | Pediatric Infectious Diseases | Cardiac Surgery | Pediatric Allergy and Dermatology | Pulmonary | Neonatology and Fetal Care | Clinical Cases on Pediatrics and Neonatology | Pediatric Gastroenterology and Hepatology | Hematology | Nutrition

Session Chair:
Leandro Braz de Carvalho, Sociedade Mineira de Terapia Intensiva, Brazil

Session Co-Chair:
Joël Gailledreau, PsyLib, France

10:00-10:20

Title: Yoga as life style medicine for healthy, happy, and longer life
Dinesh K Goel, Diplomat American Board of Surgery, USA

10:20-10:30

Networking and Refreshments Break

10:30-10:50

Title: Intelligent sensors and monitoring system for solar-powered phototherapy light for jaundice treatment
Paul Cabacungan, Ateneo Innovation Center, Philippines

10:50-11:10

Title: Vitamin B12 deficiency in children- Varied Presentations
Ponnurangam Nagarajan Vinoth, Sri Ramachandra Medical College & Research Institute, India

11:10-11:30

Title: Role of serial c- reactive protein in determining duration of antibiotic use for neonates with suspected neonatal sepsis: A randomised controlled trial
Fareena Ahamed, University of Nairobi, Kenya

11:30-11:50

Title: Congenital tuberculosis : A challenging diagnosis
Karuna Thapar, Sri Guru Ram Das Institute of Medical Sciences & Research, India

11:50-12:10

Title: Maternal nutritional status affecting breastmilk composition. Breast is best

Nakul Kothari, Westmead Hospital, Australia

12:10-12:30

Title: Care of extremely preterm baby

Anita Singh, Sanjay Gandhi Postgraduate Institute of Medical Sciences, India

12:30-12:50

Title: Evaluation of bone mineral density in children with hemophilia: A cross sectional study

Ashritha Avalareddy, Jawaharlal Institute of Medical Education and Research (JIP-MER), Inida

12:50-13:10

Title: Heated humidified high flow nasal cannula in newborns - An overview

Kirti M Naranje, Sanjay Gandhi Postgraduate Institute of Medical Sciences, India

13:10-13:30

Title: Comparative study of prototype low-cost light emitting diode phototherapy device versus conventional fluorescent phototherapy in the treatment of indirect hyperbilirubinemia among term infants in a tertiary government hospital

Viel M. Bagunu, Philippines

Panel Discussions

13:30-14:30

LUNCH BREAK

Oral and Video Sessions

Pediatric Sessions

14:30-14:45

Title: Recurrent aspiration pneumonia – A rare presentation of a rare Vitamin D dependant Rickets type1A – A case report

Himabindu Meesala, Shantiram Medical College, India

14:45-15:00

Title: Respiratory failure as a consequence of severe sedation: A case of Cannabidiol, Clobazam and Valproate interaction

Tah-Leah Bakker, Mackay Base Hospital, Australia

15:00-15:15

Title: Thromboembolism in a 7 year old boy: A case report

Fareena Ahamed, Department of Paediatrics and Child Health, University of Nairobi, Kenya

15:15-15:30

Title: An uncommon presentation of Anti-MOG antibody positive acute demyelinating syndrome in a child with aseptic meningitis

Radhika James, Mackay Hospital and Health Service, Australia

15:30-15:45

Title: Associated factors with development of necrotizing enterocolitis in patients with respiratory distress syndrome in Bunda woman and children Hospital Jakarta

Jessica Christy Limanjaya, Bunda Children and Woman Hospital, Indonesia

15:45-16:00

Title: To study the growth pattern of transfusion dependent thalassemic children and to compare growth pattern between regularly and irregularly transfused children

Shriharsha Badiger, India

Dermatology and Cosmetology Session

16:00-16:15

Title: Chemical compositions and cosmeceutical activities of *Cordyceps militaris* extracts

Pachabadee Marsup, Chiang Mai University, Thailand

16:15-16:30

Title: Anti-ageing activities of Thai highland parsley and rosemary oils

Natnaree Laothaweerungsawat, Chiang Mai University, Thailand

16:30-16:45

Title: Using Artificial Intelligence for Instant and Accurate Facial Photography in the Clinical Setting

Nora Hager, Gold Coast, Australia

16:45-17:00

Title: Infantile colic: Is it an early sign of an allergy?

Ebtihal Elameen Eltyeb, Saudi Arabia

17:00-17:15

Networking and Refreshments Break

17:15-17:45

Poster Session

P-01

Title: Antioxidant activities of homnil rice (*Oryza sativa* L.) seed and bran extracts for cosmetic application

Chareetip Rungsawang, Chiang Mai University, Thailand

P-02

Title: Accelerated Light Exposure Test (ALET) of active compounds in roasted coffee bean, red chili and turmeric extracts loaded in nanoemulsion

Nuttapol Boonrueang, Chiang Mai University, Thailand

P-03

Title: In vitro evaluation of chili extract loaded microemulsion for enhanced transdermal delivery with reduced skin irritation

Phunsuk Anantaworasakul, Chiang Mai University, Thailand

P-04

Title: Extraction and stability of lycopene from *Citrullus lanatus*

Jutiporn Sirikhet, Chiang Mai University, Chiang Mai, Thailand

EP-05

Title: Seizures and acute renal failure complicating severe constipation - An unusual manifestation of anorexia nervosa

Yan Lam Tung, Mackay Base Hospital, Australia

EP-06

Title: Neonatal diabetes mellitus due to a rare mutation in *KCNJ11* gene

Sunil Kumar, Kalpana Chawla Government Medical College, India

EP-07

Title: A rare case of dyslipidemia due to lipoproteinase deficiency

Leena Rajani, Choithram Hospital & Research Centre, India

EP-08

Title: Pediatric asphyxiation: The choking game in the case of a 10-Year-Old

Andrew Nguyen, Eisenhower Health, USA

EP-09

Title: Survival of very low birth weight infant in rural hospital, a case report

Yurika Erliani, Medical Degree Staff of Neonate Ward of Sekayu Hospital, Indonesia

EP-10

Title: Skin penetration and effect on skin of green coffee bean extract-loaded NLCs in cream

Kanokwan Kiattisin, Chiang Mai University, Thailand

EP-11

Title: Bilirubin lowering effect and safety of a prototype low cost blue light emitting diode (LED) phototherapy device in the treatment of indirect hyperbilirubinemia among healthy term infants in a tertiary government hospital

Vanessa Marie Calabia, Ospital ng Makati, Philippines

EP-12

Title: Novel liposomes from hermetia illucens oil encapsulating with curcuma spp. extract

Kornchanok Srisombat, Chiang Mai University, Thailand

EP-13

Title: Children presenting to emergency departments who are not registered with general practitioners- Are we missing opportunities for child protection interventions?

Andrew McGowan, Royal Alexandra Hospital, NHS Greater Glasgow and Clyde, UK

Panel Discussions

17:40-18:00

Speaker Slots are Available

Closing Ceremony

END OF DAY 2
